SUBJECT: **FUNDING AUGMENTATION FOR VARIOUS
FAMILY DEPENDENCY DRUG COURT PROVIDERS**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreement with various Family Dependency Drug Court providers using the delegated authority granted by approval of Board Agenda Synopsis #50, June 12, 2007. This provision allows the Director of Public Health or his authorized designee to augment funds up to 25 percent of the contract's budget.

I am recommending this funding augmentation to enable the agency to expand services for the Family Dependency Drug Court. Alcohol and Drug Program Administration is proposing to augment the contract as indicated in the following attachments.

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agencies' current and proposed funding amounts

If you have any questions or need additional information, please let me know.

Description of Services

Alcohol and Drug Free Living Center Services (Family Dependency Drug Court)

Alcohol and drug free living centers (hereafter "ADFLC") are housing facilities where clients (including, but not limited to, homeless clients) who are currently participating in a Family Dependency Drug Court program, and who are recovering from alcohol and drug problems, reside. ADFLCs are living environments where the presence of or use of alcohol and drugs, other than prescribed drugs, is prohibited. ADFLCs provide an opportunity for residents who have re-entered or are preparing to re-enter the labor force to pursue their own personal plan for recovery in an alcohol and drug free atmosphere, removed from normal social pressures and temptations to drink alcoholic beverages and abuse drugs.

Outpatient Drug Court Treatment And Recovery Services (Family Dependency Drug Court)

Outpatient drug court treatment and recovery services provide a comprehensive and integrated program of treatment and rehabilitation services, which include counseling, client referral, crisis intervention, self-help groups, and urinalysis testing to persons (including, but not limited to, homeless persons) who are referred to Contractor by the County's Superior Court, Family Dependency Drug Court judge, and County's Probation Department. Services to women may also include child care, parenting skills, health education, child development, and educational/vocational resources. Referral may be made to medical detoxification services, residential services, methadone services, psychiatric services, or other appropriate treatment services. Based upon the continuing treatment needs of client, duration of any individual's treatment hereunder shall not exceed twelve (12) months without the prior approval of Director, hereafter refers jointly to county's Director of Public Health or his/her authorized designee. Clients shall receive counseling at least eight (8) times within each thirty (30) calendar day period.

Residential Services (Family Dependency Drug Court)

Residential services (Family Dependency Drug Court) is a twenty-four (24) hour residential program with a primary (or total) population of ambulatory drug abuse clients who are involved in no less than six (6) hours of planned treatment activities per day and are under the supervision of trained staff. This is a counseling modality in which no person is treated for the abuse of drugs by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs.
